5.2 2022 WINTER AND SPRING SCHOOL HOLIDAY PROGRAMS

SUMMARY

This report provides the Youth Council with a brief on activities undertaken as part of the youth 2022 Winter and Spring Break Programs that were undertaken in partnership with local community groups and businesses. It is anticipated that this program will continue to grow as more local businesses come on board. The opportunity of grant funding by the State Government has enabled activities to be provided that would normally be out of reach due to Council's operational plan.

RECOMMENDATION

That the Youth Council note this report and consider how YVYC members can be involved with ongoing Holiday Break programs.

FINANCIAL IMPLICATIONS

The majority of these activities were held with funding from the Regional NSW Break grant program. Funding from Council's Operational Plan was within budget.

REPORT

Staff worked with local community groups and businesses to develop and deliver the youth of the Yass Valley local government area with opportunities to have fun while learning and growing through their attendance at these activities.

The programs were developed by staff in conjunction with local businesses and community groups (refer Attachment A and B).

We wish to thank the following local businesses, community members and community groups who were involved in either (or both) the winter and spring programs: Yass Valley Library, Murrumbateman Scouts, Sutton Village Gallery, Southern Tablelands Arts, Tootsie Gallery Café, Zac's Place, Bowning Hall, PCYC, Robyn Sykes, Sara Phemister, and the Yass Railway Museum.

We also wish to thank the National Museum of Australia, Junee Chocolate Factory, Totem Skating, Poppy Bubbles and Little Wing Puppetry for providing programs that enabled us to enhance the local programs to provide experiences for our youth that we are unable to provide locally.

Staff have commenced development of the Summer and Autumn Programs, and welcome any Youth Council members to contact Lynette Safraneck, Cr Cayla Pothan or Erica Kearnes, Coordinator Library Services by early November if they have any activity suggestions.

Lynette will show some of the photos from the programs at the meeting.
